Hi Sydney-

I received the travel packet (all 32 pages) - thanks.

I'm not sure if you called last night after the lab closed and left a message or if the message on the machine this morning was the one from yesterday but wasn't deleted, but if you need to speak to me again you can email me or try calling again.

Hello Sonja,

Please find attached a copy of your travel packet that was submitted to Central office. The very last page is the approval notification that was generated.

Please refer to the hotel, and taxi information that is attached for your accommodations. Your TAF shows all of the allowances.

If you have any questions or concerns, please feel free to call or email me at (617) 983-6237 or 6665 at any time.
